

IRWIN®

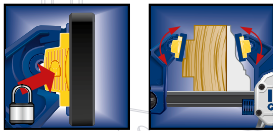

Quick-Grip® XP – Key Facts

Product:

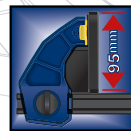

IRWIN® Quick-Grip® XP

- 3 years ago the Quick-Grip® XP was launched which was specifically designed for gluing applications.
- "Xtreme Pressure" - Two times greater than all of its competitors.
- We have listened to our consumers and made significant improvements to make this product truly the best one handed bar clamp on the market.
- Full face pads and a supporting foot have been added, plus lockable swivel jaws to ensure that both jaws are always parallel and pressure is evenly distributed when gluing.

SWIVEL JAW (X2) WITH LOCKS maintains even contact with the work surface (Patent Pending)

95MM DEEP FULL FACE PADS for evenly distributed pressure

HEAVY DUTY CONSTRUCTION which makes for a durable, long lasting clamp

IMPROVED QUICK-CHANGE™ SCREW MECHANISM allows for easy conversion to a spreader

I-BEAM BAR to reduce bend and flex of the bar

250 KG'S HOLD LOAD ideal for gluing and setting joints

SUPPORTING FOOT (only on 18", 24", 36" & 50") allows the clamp to sit upright when gluing

NEW QUICK-GRIP® XP
